Welcome to the world of Pearl.
We understand there are a lot of choices to make when searching for your perfect bathroom fittings, with an overwhelming amount of confusing information and advice available.

At Pearl we don’t think it needs to be that complicated. We think all you need to know is that when you choose a Pearl product, you are getting the very best of Indian design and exceptional quality.
ENDURING QUALITY
SUPERIOR CRAFTSMANSHIP
TIMELESS STYLE

IF YOU HAVE A FIRM FOUNDATION
YOU CAN REALISE EVEN THE MOST
AMBITIOUS IDEAS

Dear customers

"There is nothing permanent except change." At Pearl we live by this old adage. For us, the urge for improvement and the rigorous development of innovation is a solidly established and resolutely pursued company principle. Since our foundation we’ve invested tirelessly in new ideas, new technologies and surprisingly new solutions always with our Pearl values and our customers’ need firmly in view. We can’t help always being a little bit different. And in dynamic times this is our guarantee of enduring market leadership.

Our core competence is producing high quality faucets with design aspirations to match. We have now broadened our aim and put together integrated bathroom solutions for our customers. These are a fusion of our decades of experience in the sanitary sector with outstanding expertise in mass production to create stylishly co-ordinated bathroom faucets.

Read this brochure and find out more about Pearl debut as a supplier of exclusive bathrooms. Despite many new aspects our Pearl company values of “enduring quality”, “leadership technology”, “Outstanding design” and “environmental responsibility of the highest order” are the key principles guiding our thoughts and deeds.

Enjoy this new evolution of our traditional strengths-unmistakably imprinted with Pearl dna- as we write an impressive new chapter in our success story.

On to new shores-for even greater delight in water.

Yours, Truly
Managing Director
N.K. GARG
